

# HG stain away 2

for a.o. shoe polish felt tip pen and ...

This product is also suitable for stains caused by cooking oil, chip fat, polish and stickers. **Directions for use:** Test a small inconspicuous part of the material beforehand to check that it is colour-fast. Remove as much of the stain as possible beforehand. Allow the product to work in for about 10-15 minutes in a small bowl containing the product. Then rub cloth to cloth and rinse off well with hot water. If necessary repeat the procedure and allow to work in for longer, but do not allow the liquid to dry. Place small stains on an absorbent white surface, e.g. a white tissue, and dab up with a cloth dampened in the product. Then rinse off well with hot water.

**Attention: Transport and store the bottle upright.** If used without protection, this product may damage and/or dissolve nail varnish on fingernails. • Medical personnel can request the data sheet via +31 36 54 94 777

• The consumer's information sheet can be obtained via [www.HG.eu](http://www.HG.eu)

**Biodegradable according to regulation 648/2004/EC**

contains a.o.:	
aliphatic hydrocarbons	> 30%
