### HG hob cleaner extra strong

- removes stubborn grime and cooked-on food
- suitable for ceramic hobs, induction, gas hobs and glass hobs

A fresh-smelling intensive cleaner, specifically developed for the removal of stubborn baked-on marks and cooking rings on all types of ceramic and induction hobs. Cleans and provides a protective shine.

**Directions for use:** Apply a little of *HG hob cleaner extra strong* onto a cloth and rub well into the ceramic cooker hob. Then wipe off the surface with a damp cloth and rub with a dry cloth until high gloss appears. For daily cleaning we recommend the use of *HG hob cleaner*.
