car wheel rim cleaner

safe for every
type of rim

500 ml e

HG car wheel rim cleaner

- safe for every type of rim
- for shiny clean rims
- also ideal as pre-treatment for the car wash

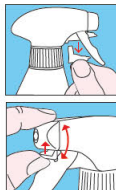

HG car wheel rim cleaner easily removes stubborn dirt, grease, brake fluid and grease from car wheels. It can also be used for plastic wheel caps.

TIP:

HG car wheel rim cleaner is also ideal as a pre-treatment before going through a car wash.

Directions for use: Remove the locking clip before use.

Press the nozzle at the front side and turn a quarter. Spray the wheels and leave the product to penetrate for 1 minute. Then loosen the dirt with a brush. Wipe off the dirt and rinse well with (preferably) warm water. Turn the nozzle a quarter backwards after use (blocking position).

Transport and store the bottle upright.
