for quick daily cleaning

500 ml e

HG sanitary area cleaner

- for quick daily cleaning
- for everything in the toilet area

HG sanitary area cleaner is a fast drying spray cleaner with a fresh fragrance for quick daily and hygienic cleaning of everything in the toilet area, such as the seat, the outside of the bowl, the cistern, the hand basin, the tap, and even the door handle. The special composition of *HG sanitary area cleaner* produces a maximum hygienic result.

Directions for use: Turn the nozzle on the front side a quarter. Spray *HG sanitary area cleaner* directly onto the surface and leave it to work briefly. Then wipe off the surface with toilet paper or a clean, dry cloth. Turn the nozzle a quarter after use (OFF). For regular cleaning of the toilet bowl, we recommend *HG toilet cleaner gel hygienic*. For problem dirt, such as persistent limescale or urine stains, it is best to use *HG toilet cleaner gel super powerful*.
