## shower and washbasin spray

even removes light limescale

500 ml e

### HG shower and washbasin spray

- even removes light limescale
- works quickly and easily
- every-day cleaner
- also suitable for marble and other calciferous natural stone

*HG shower and washbasin spray* is a mild every day cleaner for washbasins, (synthetic) shower cubicles and tile walls. It quickly and easily removes light limescale, body grease and soap residues. Can also be used on taps and other sanitaryware as well as on marble, travertine, other calcareous natural stone, granite and concrete.

#### Directions for use:

Turn the nozzle on the front side a quarter. Simply spray *HG shower and washbasin spray* on the surface. Leave for a short while (wipe with a sponge if desired) and rinse. Preferably dry with a cloth, a window-wiper or a leather. Turn the nozzle a quarter after use (OFF). To remove severe limescale *HG limescale remover concentrate* or *HG limescale remover foam spray* is recommended. For removal of copper oxide, urine stain etc. use *HG limescale remover concentrate*. To remove brown or black marks use *HG mould spray*.
